4	Anumewlis huca la kuhle kosruk rof jatebeige to...	4725.43	1.9	http://mapis.md/images	napkin4
5	Ge mu wiivazaj fal rofvon bewul imzew isiso beh...	5245.21	2.4	http://baifa.cg/images	napkin5

We select all products in which their name contains the string "apple" (case insensitive):

```
SELECT * FROM product
Where product.product_name LIKE "apple%";
```

In the final output, 100 rows that contained "apple" as a substring of their product_id is returned:

product_id	description	price	product_rating	picture_source	product_name
